EXODUS

1962

SOUTHBRIDGE HIGH SCHOOL

SOUTHBRIDGE, MASSACHUSETTS

FOREWORD

We, the class of 1962, have selected "Exodus" as the theme of our yearbook. It was during our senior year that we led the exodus of students and teachers from our once separate Cole Trade and Mary E. Wells High school to the unified Southbridge High School. We have spent several exciting months in this newly constructed school, but we, as seniors, are not destined to remain.

Another exodus is stirring; one that is more distant. It urges us to venture forth into this age of unrest and to strive to make this world a "land of milk and honey" for those who are to follow. We seniors will determinedly work toward this end.

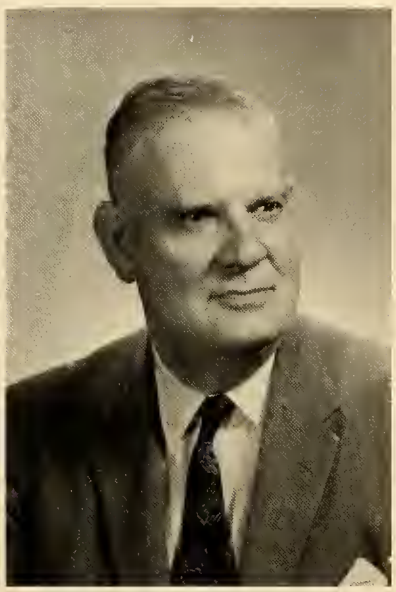
MR. ROBERT YOUNG

MR. ROBERT BEALS

We the class of 1962 gratefully dedicate this yearbook to our class advisors, Mr. Robert Young and Mr. Robert Beals, for their kindly guidance on concessions, proms, and other class activities. Through their understanding and friendly encouragement, we as a class, have made continued strides throughout our High School careers. In deepest appreciation for their efforts, we hope to maintain the standards they have set for us.

IN MEMORIAM



DR. JAMES M. ROBERTSON

1904-1962

Throughout our high school career it has been the guiding hand of our beloved Principal that has led us down the road of success. His wisdom, kindness and understanding have made Southbridge High School the wonderful educational institution that it is today.

His name will remain a hallowed memory at Southbridge High School forever.

In Memoriam

MR. GEORGE H. BRAMAN

1901-1961

Teachers like Mr. Braman have helped to mold students into young men and women. By their guidance and understanding, students are assured of a successful future. We do not think of Mr. Braman only as a teacher, but also as a kind, warmhearted human being.

The entire faculty and student body of Southbridge High School extend their deepest sympathies to his family and relations.

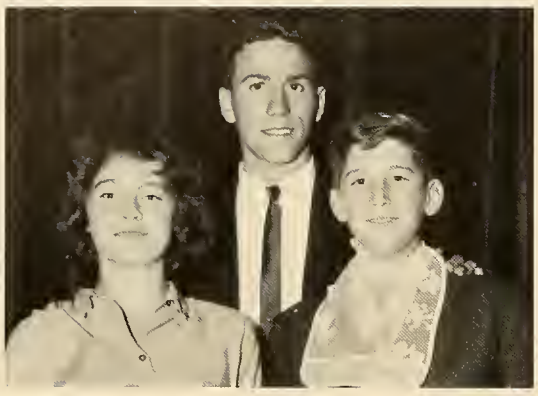
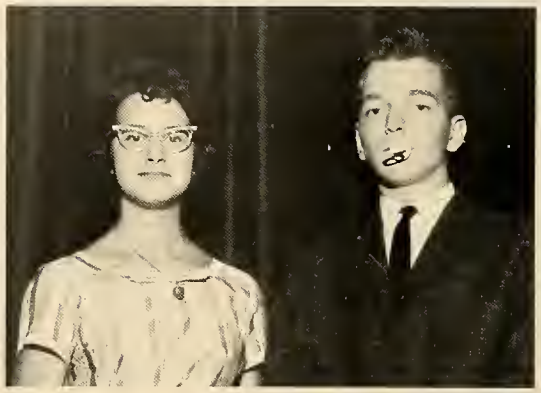
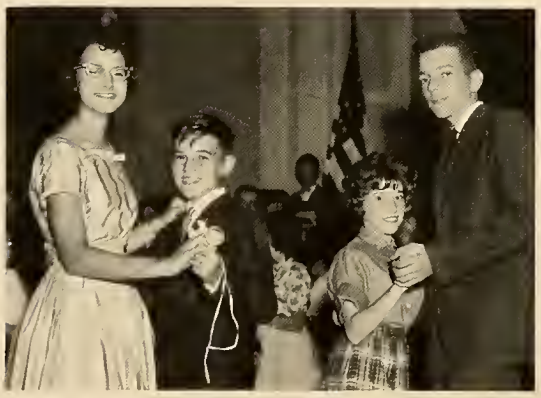
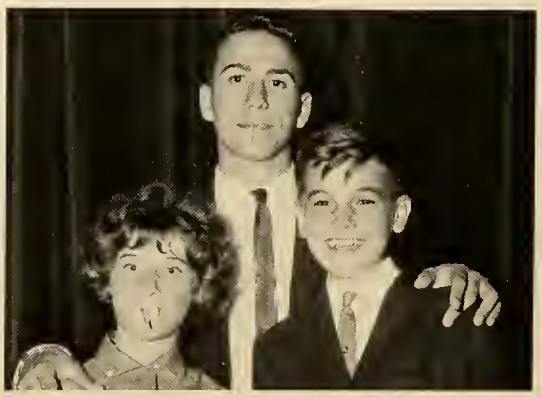
SENIOR HISTORY









The greatest event in our Senior Year was the "Exodus" into the new Southbridge High School. Many high school students aided in the transition by transporting books, files and furniture from the old school to the new building.

The annual Freshman Reception was held in Mary E. Wells High Auditorium during the first week of the school year. Many students of both schools attended the function.

On the net play Giovanello sliced through again and tallied the six-pointer Ferron booted the extra point and Southbridge led 35-0.

Allard Returns

Franny Allard returned an Auburn punt 57 yards from his own 40 to the visitors four yard line. Bachand then took two plays to crash over the goal line to score. The extra point by Ferron was short and the game was turning into a farce with Southbridge leading 41-0.

Auburn finally tallied in the fourth quarter on a freak and gift play by Southbridge. Bachand standing in the end zone to punt, fumbled the ball and Bill Benson, Auburn center, pounced on the ball for a touchdown. Auburn's pass for the two extra points was intercepted by Fred Szczypien, and that was all for Auburn for the day.

Thousands of Fans Will Watch Traditional Thanksgiving Game

By RAY HEBERT
News Sports Editor

Some 7,500 to 8,000 fans will be on hand at 10:15 a. m. tomorrow at Dresser Street Field to watch one of the oldest high school football rivalries on Thanksgiving Day and the start of a new school series. It will mark the 42nd year that Bartlett High, of Webster, faces a high school gridiron team from Southbridge. The game will also be the first in a new series between Southbridge High and Bartlett High. The Indians of Webster rule a slight four or five point favorite over the Scarlet and White eleven.

In the 41 years that Mary E. Wells and Bartlett High tangled on Thanksgiving morning, Wells came out on top with a 20-19-2 record. The worst defeat handed wells by the Indians was a 64-0 scalping in 1931, with last year's 44-12 running second best. Wells twice shutout Bartlett by 25-0 scores in 1934 and 1938. A 32-6 victory in 1951 by Wells was runnerup.

Although tomorrow starts a new series, both schools, players and fans expect the same kind of battle that has been seen in the past when Bartlett High and Mary E. Wells and now Southbridge High take to the field past records are thrown clear out the window as both teams gun for this one big game. A victory for either school regardless of their season's record provides them with a feeling of a winning season. Bartlett will enter the game with a 3-4-1 slate, while the Scarlet and White have come up with four wins and two losses to far this season.

Bachand a marked man from the start, was ganged-tackled, kneed, kicked and punched every chance the South High players had, with on penalties handed out by the officials. Although Southbridge High was out-classed in the game and their performance was below par, the officials at the game were on the bad side.

Marino stated that the team played very bad ball and didn't work out their assignments like they should have. Southbridge High takes the next two weeks off before returning to action against ever-dangerous Northbridge High at Northbridge. Marino plans on having at least one game like scrimmage against some school during the two weeks.

On January 6, 1962, ten Southbridge High School students departed for Melbourne, Florida as part of a Student Exchange Program. On January 28, 1962 ten students from Melbourne High School arrived in Southbridge to spend a week. The program enabled us not only to compare the educational systems, which proved to be completely different, but also to acquire an understanding among students from different sections of our nation. Many new and lasting friendships have developed and the students are exceedingly grateful to have been afforded this unforgetable experience.

HARRY J. MC MAHON

On June 22, 1962 Southbridge High School will lose one of its best liked and most capable teachers and Athletic Directors in the person of Harry J. McMahon. Coach McMahon is retiring after 36 years in the Southbridge school system.

McMahon came to Southbridge in 1926 after graduating from Holy Cross College, Worcester, Mass. where he played varsity football as a halfback and a quarterback.

In sports his teams were exceedingly successful. His 1928 basketball team won the Western Worcester County League Championship. In 1935 he gave Southbridge its first undefeated football team. McMahon's greatest accomplishments were in baseball. His record shows that his teams won over 100 games while only losing about 30.

Even though Coach McMahon will not be active in sports any longer, his memory will live forever in the hearts of all Southbridge residents. The Class of 1962 wishes him and his family the best of luck in the years to come.
